

From complexity to clarity: Practical insights to provide the best possible care

We are delighted to invite you to attend the SMART Roadshow series from the Primary Care Diabetes & Obesity (PCDO) Society.

These full-day meetings will provide **5 CPD points** and will help you understand the latest evidence and NICE guidelines, and how to implement them effectively in your practice.

Sessions include:

NICE NG28 – updated type 2 diabetes guidelines: What we need to know

Insulin management: Dealing with common insulin queries safely

Diet: Separating fact from fiction
